Dedication

...The Hopes of Mankind cannot be kept alive by words merely, by constitutions and doctrines of right and codes of liberty. The object of democracy is to transmute these into life and action of society, the self-denial and self-sacrifice of heroic men and women willing to make their lives an embodiment of right and service and enlightened purpose. The commands of democracy are as imperative as its privileges, and opportunities are wide and generous. It will be great and lift a great light for the guidance of the nations only if we are great and carry that light high for the guidance of our own feet. We are not worthy to stand here unless we

ourselves be in deed and in truth real democrats and servants of mankind, ready to give our very lives for the freedom and justice and spiritual exaltation of the great nation which shelters and nurtures us.

.....Woodrow Wilson

Miss Stillman.....

To you, Miss Stillman, we wish, upon our graduation, to convey our sincerest appreciation and most heartfelt thanks for your unceasing efforts to ease our way over a long and difficult path. The world we are now entering is an uncertain one, but, because of your guidance, we are in a position to meet it, and to face every one of its difficulties.

Administrative Staff

MISS WEIMAR

MR. CENTER
Assistant Principal

MISS STACK

Miss Stillman is very interested in the school by three assistant principals, Mr. Center, Mr. Farrell, and Mr. M. and by the administrative assistants, Mr. Tingley, Mr. Lawley, Miss Weimar, Miss Maraolis and Mrs. Herrick.

The students are very appreciative of the efforts on the part of all members of the staff to achieve a smooth running organization which promotes the happiness and well-being of all.

Hall Guard, Clubs: B.A.A. Ambition: To be rich enough to travel.

School Calendar for Semester Ending Feb. 1941

Tuley Has Its Face Lifted.

Students returning to Tuley in September found a surprisingly new and rejuvenated Tuley. Many things had been done to lend a more cheerful atmosphere to the school. The walls had been lightened and the ceilings were painted white, for there is nothing gloomier than a dark school-room. Yes students, as we leave, a new and beautiful Tuley remains behind.

New Review Staff Goes to Work.

With the semester on its way, the even more capable Review staff dug in to put out bigger and better Reviews. Senior A's and B's, all of whom had worked their way up from the bottom, held important positions. Milton Glaser, the editor-in-chief, was ably assisted by Julius Draznin, assistant editor; Julia Kirstein, news editor, and Meyer Dolinsky, feature editor; while Marvin Fromkin was elevated to the position of Business Manager. The sports department was headed by Julius Matlin and Eddie Deerfield. Bernard Reisin and Abe Friedman took over "Round About Tuley" while Dorothy Libin continued to write her Hash Heap columns.

Fire Marshals Introduce "Stagger System".

The fire marshals, sponsored by Mr. Center and Mr. Gross, devised a new system whereby five marshals will be on duty every period during the day. The faculty appointed Arnold Klass as head of this Service System. Andy Petmezas and William Fischground will serve as his lieutenants.

Goodbye, Mr. Small! Hello, Mr. Purdue!

After an even dozen years of faithful service as head of our physics Department, Mr. Arthur W. Small has left Tuley's portals to teach at Gage Park High School. Mr. Small will long be remembered for his excellent service as Senior Grade Adviser, and for his witty sense of humor. His departure, however, has been ably filled by Mr. Perdue who previously taught at Muskegon, Michigan. So we say, "Good-bye, Mr. Small; welcome, Mr. Perdue."

Student-Faculty Basketball Game

Our athletic pedagogues, Tuley's noted teachers, once again trounced our Honor Students in their annual basketball tussle to the tune of 49-32. The game merely proved that brawn and not brains score points. The teachers were led to victory by Messrs. Smidl and Gill. The scholars high point men were Bernie Reisin and Irv Markin, each scoring three baskets.

Armistice Day Assembly.

The Tuley students observed Armistice Day with proper and fitting solemnity—by presenting the annual Armistice Day assembly. After the opening of the assembly, Ben Mays, student chairman, took over the program and introduced the various musical numbers and speeches. Mr. Eliadore Libonatti, veteran of the last World War and now an American Legionnaire, gave a short talk commemorating our war dead.

Staff Picked for Annual.

With the Staff for the Annual Chosen, plans were made for the production of the biggest Log in Tuley's history. The 4A and 4B classes voted to collaborate on this book. President Bill Hanson appointed the 4A Staff

Editor, Kenneth Triger; Eli Futterman, the 4A Business Manager; Warren Swanson the Art Editor, and Mary Huza the Advertising Manager. The June officers were elected by representatives from that class. Merton Kahne and Beverly Yufit were elected co-editors, Bernard Reisin was chosen Business Manager; the position of Advertising Manager was given to Alice Kramer. The Art Staff was headed by Irving Markin.

Seniors Hold "Get Acquainted" Dance.

The Social Committee, headed by Irene Pietrucha, planned a gala "Get Acquainted" dance. The affair was held in Kopp Gym, and the music was supplied by Tuley's famous "Rhythm Boys." There was almost a 100% turnout to the Senior Jamboree.

D.A.R. Representative Elected.

Patsy Murphy was chosen by both faculty and student body as the best girl citizen in Tuley. The contest was sponsored by the D.A.R. One girl from each state was chosen to go on a tour to Washington D.C., all expenses paid. Patsy was selected from a field of 15 girls, previously nominated for that position, to represent Tuley.

Class Averages Announced.

After several weeks of diligent work, Mrs. Herrick announced the averages of the graduating seniors. The Valedictorian was Anne Rill with a perfect average of 99, all S's! Mary Ann Huza, salutatorian, ended up with an average of 98.25. Third place honors in the four year scholastic race were shared by Milton Glaser and Lenore Wexler each sharing an average of 97.

Seniors Elect Class Orator.

After a very close race with Naomi Smith for the position of Class Orator, Joseph Karzen finally emerged victorious. Other candidates for that position were Ruben Kessel, and Eunice Kukee.

Thanksgiving Collection Hits New High.

Tuley set a new high in its Thanksgiving collection by turning in \$834.37. The previous high mark, set last semester, was \$800. Miss Metcalf's 4B division set the pace for other rooms by turning in \$29.00, Miss Mayer's room was second having handed in \$26.00.

Civitan Contest Held.

Sidney Glatchow was declared the victor of the Civitan Contest, held in the Assembly Hall. Sid was picked from a group of Twelve finalists by the judges, Miss Konkowski, Miss Mayer, Miss Margolis, Miss Newheart, Mr. Hunter, Mr. Lawley, and Mr. Perry. All of the contestants spoke on the same topic, "Speak Up for America." As winner, Sidney Glatchow won the Dale Carnegie Public Speaking Scholarship.

Drama Class Presents "Phantom Tiger".

Every year the drama class presents a play. This year their performances in the "Phantom Tiger" surpassed all previous ones. The play was a mystery-comedy. The leading roles were taken by Rebecca Spinka, Julius Draznin, and Bernard Dukelsky. Miss Konkowski once again did a marvelous job in directing the play. Fisk Auditorium was completely sold out for both performances.

CLASS NIGHT
COMMITTEE

February

CLASS NIGHT

It was the eve of Friday January 24, 1941. Hark! A voice called and time was flushed away. The school was filled with a warm glow of light and the students were all ready for the evening's entertainment.

At 7:30 P.M. the doors were opened and the students were all ready for the evening's entertainment. The first act was a play by the students of the school.

After the play, the students of the school gave a performance of their own. This was followed by a performance of the school's own play. The play was a comedy and was very well received. The students of the school were all very happy and enjoyed the evening's entertainment. The play was a comedy and was very well received. The students of the school were all very happy and enjoyed the evening's entertainment.

The evening's entertainment was a success. The students of the school were all very happy and enjoyed the evening's entertainment. The play was a comedy and was very well received. The students of the school were all very happy and enjoyed the evening's entertainment.

The evening's entertainment was a success. The students of the school were all very happy and enjoyed the evening's entertainment. The play was a comedy and was very well received. The students of the school were all very happy and enjoyed the evening's entertainment.

Activities

GET ACQUAINTED DANCE

"Hello Joe, whadda-yuh know?" And, with this familiar phrase uttered another couple went out upon the dance floor, and another friendship was all the more closely cemented. For that was the very purpose of the most important dance in Tuley's history, the first "Get Acquainted" dance ever given by a senior class. The idea of the dance lay in the fact that, with so many classmates never getting to know one another very well because the class was so large, many of the boys were a bit shy in asking a girl to the senior affairs.

So, to both hot and sweet music, at the famous Tuley "Hayden Ball" Lee Benson, Johnny Buckholtz, Sol Anderson and George Singer, the seniors spent a very enjoyable afternoon. But it was more than an ordinary dance for it helped more than anything else to draw the class together. That was its purpose, and the question of whether this brain-child of Mr. Tingley, class sponsor, Irene Pietrucha, chairman of the dance, and the rest of the committee was worth their efforts is adequately answered by the number attending the dance.

PROGRAM
PERFORMERS

Senior Division Teachers

We embark upon life with open minds and brave hearts due to the guidance of the faculty, which has been invaluable in preparing us to meet the outside world with courage and intelligence. For four years they have worked to prepare us so that we will not fail.

To Mr. Tingley, who is the very embodiment of kindness, consideration and quiet determination, we wish to convey our gratitude. He has been tireless in his efforts to smooth our paths, and we have no words with which to express our sincere appreciation.

- SYLVIA ANN WEISSBERG** "Sandy"
Usherette, Tuxey Review Representative, Hall Guard. Clubs:
G.A.A., Social Science. Ambition: Successful office clerk or
beauty operator.

Tuley Roundup

The accompanying picture will give you some idea of the time I had writing this page. There was so much to tell that it would have taken a good sized volume to do it adequately.

1941 has undoubtedly been one of the most eventful years in the history of Tuley High. Perhaps it was because of the influx of many new and pretty faces. Yes, it has become an accepted fact that attractive girls are an essential part of a well balanced school year.

Moments to Remember.

The following are reminiscences of days that are gone, but cannot be forgotten.

They are still talking about the time Lou Black put nail polish remover in his hair thinking it was olive oil. He spent the next two days removing the remover.

The harmony trio composed of Jerry Jerowenka, Antoinette Fisher and Richard Hurowitz made their debut at the B.A.A., G.A.A. dance . . . The time Alice Kramer was the main angle of a triangle . . . The day Bernie Dukelsky (the great profile) felt the wrath of drama instructress Miss Dorothy Konkowski. She hit him with a fully loaded powder puff. It was the first time that Bernie's face was red and white at the same instant . . . When Julia Kirstein, for two years an important member of the Review Staff was elected editor-in-chief by her colleagues . . . The time Ed Sychta organized a fund in his division to send a gift to his buddy Gene Galkowski who was in the hospital recovering from an appendectomy . . . When "Sonny" Kane challenged the top ranking student of Mr. Tingley's economics class to a debating contest. Mr. T. remarked that Sonny was a brave lad to get into a battle of wits unarmed . . . The time Sheppie Termans new invention broke all records . . . It was a new type of phonograph needle . . . Curtis Mayfield claims he developed those powerful wrist muscles by turning off the radio (A twisting good idea, Curt.)

The day Irene Babicz came to school with one of those upsweep hair do's and Adeline Banas and Sally Slobodian kidded her about having to wash her neck more often . . . All Tuley was proud of ballerina Rose Jankowski when she signed a contract with the San Carlos Opera Company . . . When Arnold Gross came to school wearing a hat he claimed was inherited from his great grandfather and no one doubted it. When John Bac asked Ed Sychta, chairman of the prom committee, "Is this dance formal or do I wear my own clothes?" . . . The time Mildred Zavodny fried bacon in

butter in Mrs. Wood's cooking class . . . No one will forget the time "thin man" Seymour Lerner paid off a bet by coming to school in knickers . . . When one of the B.A.A. basketball teams was short handed and asked Louise, the janitor, to play with them . . . When Arnold Klass claimed his doctor was very smart because he had a lot of inside information.

Why Little Boys Leave Home — Anne Gabriel.

Miss Mendes—Hey, come out of that water. You can't swim in there.

Loretta Schultz—I know I can't. Help! Help! Help! . . . Solly Rubin claims he knows how to evade the draft. "The first thing I say before I get examined, says Sol, is, 'gimme a chair Doc, my feet are killing me!'"

Ariene Sandvik: There's a lot of electricity in my hair.

Helen Schmidt—Oh! Is that why you buy hats that look like lamp shades.

Overheard in 331.

Jerome Bressler: But Mr. Johnson, I don't think I deserve a "D".

Mr. Johnson: I know, Jerome, but it's the lowest mark I can give you.

Robert Schwingen: Oh boy, oh boy, Coach Tortorelli is going to let me play left end on the bench.

Student Philosophy:

Tuley students have often shown their wisdom by simple philosophy. The following are some choice selections:

James Samaras: The trouble with weak sisters is that they usually have husky brothers.

James Sherrier: When a gold digger describes a love affair it is usually a pay-by-pay description.

June Shabago: The girl whose remarks are pointless never pins a

man down.

Special Awards:

To Hymen Perlman for his invaluable services in operating the public address system, and serving as authority on all technical problems.

To Julian Falecki for his genius as a camera artist and the fine photographs entered in this Log.

To Mr. Loyal H. Tingley for his unceasing efforts in making Senior Hall a gigantic success.

To Patsy Murphy for being the most talked about student of the year, and all good, too.

And so we write finis to our high school career. It has been a milestone in our lives. There are some very happy memories and some not so happy, but high school has been an experience we can never forget — or want to.

June Class

No doubt, even while you are reading this little item, the memory of that gala affair for which you so anxiously waited, "Class Night," still lingers on. So here is something about the celebration to keep that remembrance ever fresh.

Miss Dorothy Konkowski, faculty sponsor and director of the affair, told us long in advance it would be tops, and it certainly was! Of course, with Eddie Deerfield writing the review, and Louis Draznin acting as Master of Ceremony, it just couldn't help but be the peak of entertainment. Among those who gave sterling performances were Bernard Dukelsky, George Miller, and Willie Flax, who were—well, you saw

is Night

the performance and we need not repeat it. Then there were Helen Wysatt, with her usual splendid voice; "speech maker" Patsy Murphy, Alice Kramer, Jeanette Miliar, Annette Freireich, and Class Orator Mary Kagan. Jerome Bresser, that pesty little scene-stealer, was there up to his usual tricks. And, last but not least, Tuley's own quartet, composed of Antoinette Fisher, Hymen Perlman, Richard Hurwitz, and Jerry Jourawenka, gave their last school performance.

This final blaze of glory of the '41 was ended with hours of dancing in our own Kopp Gym.

Fire Marshals

The Fire Marshal squad is made up of the best of the school's fire fighters. They are selected on the basis of individual who have shown a high degree of standing, and dependability. They are entrusted with the tremendous responsibility which will rest upon the shoulders of every Fire Marshal.

The Fire Marshals serve the school in many and varied capacities. At all times they are on duty in emergency. They are responsible for the safety of the school and its property. They are also responsible with the administration of the school in any and every emergency that may arise.

Though the Fire Marshal squad is comparatively smaller this year than in previous years, the Marshals, under the sponsorship of Mr. Carter and Mr. Gross, accomplished a task that larger squads have found very difficult.

For the February semester Arnold Klass acted as Captain, Andy Petmezias and William Fischground as Lieutenants. Arnold Klass also served as Captain for the second semester, and because of the graduation of Andy and William, two new Lieutenants, Harry Mail and Newell Echols, were picked to replace them.

To close their semester's activities, the Fire Marshals are given a banquet at which they are awarded medals by Miss Hazel L. Stillman, Principal.

Physics Club

January Officers: Pres. V. I. ...
Secretary: Pearl Harris. **June Officers:** Pres. ...
Deborah Shulsky: Sec. ... **Sponsor:** Mr. ...

The Physics Club is a group of students who are interested in the study of physics. We have a variety of activities, including lectures, demonstrations, and experiments. We also have a library of books and a collection of instruments. The club meets regularly and is open to all students who are interested in physics. We have a very active and enthusiastic membership and we are proud to have a sponsor who is so supportive of our activities.

Math Club

February Officers: President Kenneth Triser. Vice President Marvin ...
Secretary: Ruby Murphy. **June Officers:** President Marvin ...
Secretary: Eleanor Harris.

Send More Money
 How's that for a slogan?
 Well, the Math Club has solved that and many other equally difficult problems.
 At the request of the students the club has organized a fund-raising drive. Some real math problems were solved and the money was used to buy new books and instruments. The club is very active and is open to all students who are interested in math. We have a very active and enthusiastic membership and we are proud to have a sponsor who is so supportive of our activities.

Polish Club

January Officers: President, Irene Leszkiewicz;
June Officers: President, Richard Rzepecki; Vice
 Secretary, Lydia Dombrowski; Treasurer, Nadia
 Hlady. **Sponsors:** Mr. Jane and Miss Bogowicz

The Polish Club was organized in 1931. It is one of the most prominent in Tuley's list of extra-curricular activities.

The object of this club is to promote among its members the feeling of solidarity and to establish genuine friendship. It endeavors to acquaint them with the history of Poland, its literature, music and culture, by arranging lectures, readings, and other activities. The membership of the Polish Club is open to all students participating in Polish classes and activities.

The minutes and educational literature are read in Polish. Interesting programs and activities are prepared by the editorial committee. The sponsors of the club are Mr. Jane and Miss Bogowicz.

One of the most important affairs of the semester was the Valentine Dance, held on February 14, in the Kopp gym at which about 300 students were present to enjoy the fine entertainment supplied by the club.

On April 14, the Polish Club held Open House. Parents were invited to see the Polish work and the exhibits prepared and exhibited by the members of the club.

With this long list of achievements the Polish Club has shown that it has not been idle.

Classics Club, sponsored by Miss E. Lawrence, was organized to ac-
 quire knowledge of the history, manners, and songs character-
 istic of the ancient world. The club is not only romantic
 and adventurous, but also loyal to their country. The greatness of Rome could
 never have been achieved without the loyalty of the people to their country.

The members enjoy them-
 selves in the study of the great
 literature, such as Cicero,
 and are

The Classics Club is

Red Cross

January Officers: President, M. J. [illegible]; Vice President, D. [illegible]; Secretary, Rea Hayman. **June Officers:** President, Jacqueline Jackson; Vice President, Anita Seiffert; Secretary, Elaine Beller. **Sponsor:** Miss Gillan.

The Tuley Red Cross is one of the many institutions that is rendering its services to a worthy cause. It has been in existence for about one and a half semesters but this is the first semester that it has been very active. Once a month a representative is sent to the Main Office downtown to obtain information about future Red Cross plans.

At the Tuley meetings, under the sponsorship of Miss Gillan, the members knit scarfs, which are sent to the General Office and then to the outposts abroad.

January and June Officers: President, Marvin Swanson; Vice President, Marvin [illegible]; Secretary, L. [illegible]; Treasurer, L. [illegible]; Sponsor: Mr. Johnson.

The "A" Club was organized about three semesters ago to enlarge the opportunities in learning, leadership, citizenship, and democracy.

The A stands for true Americanism. Americanism recognizes the true worth of the best in all races, colors and creeds. It makes no distinction, but seeks to incorporate all for one and one for all. We need the best of every race, color and creed to build the way to true Americanism, to insure democracy so that the government of the people by the people and for the people will not perish from the earth.

Librarians

*Book
Room
Helpers*

January Officer: _____
Sponsor: Mr. Rabinovitz.

June Officer: _____

An efficient library is priceless to an ambitious student and we Tuleyites are fortunate in having such a large and complete library within our building.

A student librarian receives training and actual experience in every phase of library work. The library staff rotates in positions and, in this way, each student gets an opportunity to participate at the various jobs, such as distributing passes, working behind the desk, taking care of reference books, and so on. Any student who has worked in our library has enough training and background for a good start in doing this work upon graduation.

In charge of the many important duties of the book room is a capable staff of book room helpers. This group consists of twenty girls chosen by unanimous approval of both the sponsor, Mr. Rabinovitz, and the other helpers. The girls work together in complete unison to care for all the school books which are worth thousands of dollars. Their main purpose is to see that book room business is run smoothly. They take great pride in the neatness of the stock of books they have on hand, and are constantly busy in keeping records and supplying teachers throughout the school with books for their various classes.

Mr. Rabinovitz has a great deal of faith in his helpers and he realizes the fact that they have a very responsible position to uphold.

Camera Club

*Music
Appreciation*

Officers: President, Carl Schow; Vice President, Lucille Burgbacher; Secretary and Treasurer, Zalesny. **Sponsor:** Miss Fredericks.

A snap of the shutter and another of Nature's vast offerings is recorded for the Camera Club. The Camera Club has long been considered one of the finest organizations in Tuley. Sponsored formerly by Mr. Hunter, and at present by Miss Fredericks, the group, numbering close to twenty, engages in various activities relating to photography and its branches. Outings and indoor sessions make up a large part of the program with "dark room information" days being held regularly. The outdoor gatherings are especially enjoyable since actual shooting can be practiced with miles of material to be recorded under expert supervision.

Officers: President, Beverly Yufit; Vice President and Treasurer, Thelma Kass; Secretary, Miriam Goodman. **Sponsor:** Mr. Mollendorf

The newly organized "Music Appreciation Club", under the sponsorship of Mr. Mollendorf, is one of the most popular clubs at Tuley. The purpose of this club is to enable the students to hear good music and to bring to them a better understanding of good music. Mr. Mollendorf has generously offered to allow the club to make use of his extensive music library. This is a great opportunity for the music lovers of Tuley to hear the best music and it is very much appreciated.

Officers: President, Ben Kr... President, Deborah Slutzky; Secretary, Isabelle Durand

A Presidents' Council was organized this semester at Tuley. It is composed of the presidents of all the clubs in the school. It is sponsored by Miss Jackson and its purpose is to coordinate the activities of the clubs. The Presidents' Council meets every two weeks and the time is devoted to discussion of Parliamentary Procedure and to conducting meetings.

An organization such as the Princeton University Club of Tuley
 Its plans for the future are, as far as the future of the club is concerned
 of Tuley

Officers: President, I [redacted] Vice President, Eva [redacted] ft. Secretary,
Irma M [redacted] Treasurer, [redacted] Spigman, **Sponsor:** M [redacted]

The Tuley Library is managed by Miss H. [redacted] during the semester. The [redacted] are [redacted] who assist in all library work which consists mainly of [redacted]

Tuley is a member of the National Honor Society and is now in competition for the National Merit Scholarship. He will be judged with others from various schools by the heads of the Regional Group.

President's
Council

Library Club

Honor

Society

The purpose of the Honor Society is to promote high scholastic standards among Tuley pupils. A glance at the long list of names on the Honor Roll will immediately show that the Honor Society is succeeding admirably in its work.

Any pupil receiving marks of E or above in four majors for the semester is on the Honor Roll. Certificates are issued for the first three semesters at which time the student is eligible for the bronze pin. A silver pin is given to any student who is on the Honor Roll for the fourth time. Six semesters of Honor Society membership brings to the pupil the coveted honor of receiving the gold pin. If a student is on the honor roll for a seventh semester his name is mentioned as receiving the gold pin for the second time.

A tag day is held by the Honor Society under the direction of its sponsor Mrs. [Name] once a year to raise money for pins and certificates. When there are nearly six hundred pupils on the Honor Roll, one can easily see the importance and necessity of having this tag day.

Each semester the gold pin winners plan and present an original program for the members of the Honor Society. These programs are under the direction of the [Name] and public speaking teachers and have proved to be very interesting and different as each group of gold pin winners has new ideas.

JULIAN FALECKI

*Literary
Staff*

The Log Staff wishes to extend their appreciation to Pearl Harris, Julian Falecki, and John Bac for their unceasing efforts in helping to produce the Log

Seventeen students the Literary Staff of the Tuley Log, have worked long and laboriously to produce these excellent penned pictures that make this '41 Log a literary masterpiece

Due to the help of the literary adviser, Miss McGill, who introduced criticisms and advice, these truly remarkable descriptions of Tuley happenings have been made possible.

Although the work has been difficult and it has taken much time and energy, if they have succeeded in enlightening the reader on the subject of clubs, events, and all the other activities related to school life, the staff will consider their time well spent, and their rewards bountiful.

Art Staff

IRVING MARKIN

WARREN SWANSON

ART STAFF

The artist is embodied with the ability to express himself through thought set on paper in the form of a drawn illustration. A thorough search of Tuley has revealed several who have true cause to consider themselves artists.

Under the supervision of Miss Baker, these talented ones have furthered the artistic value of the Log, by planning the layout for the pages by drawing delightful sketches depicting the connection with school life, and by designing a remarkably beautiful cover.

Publicity posters have also found their origin in the capable workmanship of Tuley artists. Mr. Greenberg as photography manager, directed Julian Falecki in the securing of an array of snaps connected with every phase of Tuley life, thus making the Log artistically complete.

Business Staff

BERNARD REISIN

BUSINESS STAFF

The financial wizardry which aided in the formation of Tuley's most successful Log, indicates that the Business Staff does indeed have a head for business. Under the direction of Mr. Perry, the handpicked few who aspire to be classified under the title of Business and Advertising staff, have secured subscriptions, compiled ads, collected money, approved slogans and posters, and supervised the publicity. Ingenious publicity stunts designed to interest all outsiders in the acquisition of a '41 Log have resulted in the establishment of a new high for sales of a graduating book. This is ample proof of the ability of Tuley "Wall-Streeters."

Cage Tuley win meet berth

By GENE GRAFF

Tuley today won starting berths in the annual Stagg tournament for City leaguers when their cage representatives made off with victories in the preliminary games on the University of Chicago fieldhouse court.

Lane Tech and Farragut, winners of the afternoon session, whipped South Shore, 45-27, and North Shore, 45-27, respectively.

The victory showed any team led through the Schurz setback was ready to try for the North Shore title.

Von Steuben and Traction won previously.

Fencing

After experiencing a long absence of many years at Tuley fencing was once again introduced to the school's sportsmen. Under the coaching of Mr. Handschu, an excellent fencer in his own right, the group soon learned the proper art of attack and defense, and before the semester was over many of the boys had mastered the intricacies of the art.

Although fencing at Tuley is not an inter-school competitive sport, and could not be classified as a team, the boys held their own tournament, which was run on a "Round Robin" basis in Kopp gym. Jack Cole, Mayor Lachman, and Mickey Kahne emerged as the Royal Knight Champions in that order. As a reward, they received gold, silver, and bronze medals respectively.

Much credit and many thanks must go to Mr. Handschu for the fine work he is doing in helping the boys to build clean bodies and minds.

Bowling

Something new entered Tuley's score books in October of 1940; something well liked by everyone. Yes, you've guessed it; it's bowling. With Mr. Hitney as coach, the young proteges of Tuley's bowling team will be well on their way in a surprisingly short time.

As there are many capable bowlers at Tuley, it will take an extensive elimination process to pick out the five best to represent Tuley High School in the annual High School Bowling Tournament.

Coach Hitney reports that he already has his eye on some prospects around whom he can build an excellent team. Several who make the grade are Sam Weiner, Louis Soljan, and Eddie Kichwia, who each average about 140 per game.

Although this is the first year of bowling, it seems, from all points of view, that the situation at Tuley looks quite promising and we look forward to the time when bowling will be one of the most popular sports at Tuley.

The team is a very successful one for the T. Tortorelli has four veterans of last year's successful team returning to continue their fight toward championship. With the help of the new players Sam Fine, Bernie Dukelsky, Bernie Reisin, and Arnie Klas Coach Tortorelli believes his team has a good chance to cop the title.

There are two handicaps that prove costly to the team this year, and both are due to the unfortunate sidelining of two of the team's finest players. The first is the loss of Co-Captain Ike Kronenberg, two year veteran, due to an operation. While the other, is the sidelining of Abe Limines, another veteran of two years, because of a temporary physical defect.

The brighter side of the picture is the brilliant showing of Co-Captain Sam Fine during Spring practice and the return of Bernie Dukelsky after a year's absence.

Due to the fact that several of the star players will be graduating in June, Coach Tortorelli is starting to build a new team for next season with some up-and-coming racquet wielders, among whom are Seymour Preiss, Jack Freidman, and Marvin Goldberg.

For the first time in over a decade Tuley once again enters the Baseball Pennant chase of the West Section. This spring not only saw the rebuilding of baseball at Tuley, but that of football also.

In answer to Coach Mabbott's first call to winter baseball try-outs, a squad of more than a hundred hopeful candidates reported. Then the slow process of weeding out a strong team to start the season began.

Practice, practice, and more practice was demanded by Coach Lloyd Mabbott. Then, after many weeks of hard work, Coach Mabbott, with the aid of his two managers, James Sherrier and Marvin Schwartz, began their difficult task of cutting down the squad to thirty.

After completing their pre-season exhibition games, the Tuley nine will take up their eighteen game pennant chase, playing nine games at home, and nine games away from home.

Coach Mabbott does not expect a winning team this year, nor possibly the year after, but he does expect to be able to put a championship team on the field in the not too distant future.

Under the able supervision of Coach Lloyd F. Marshall, the B. A. A. Association of Tuley has been one of the most active year organizations in the school since its inception. The program was expanded to include basketball, swimming, and other sporting war time leisure activities. The journey, which limited the athletic ability of Tuley's male division room to the labor and as a result led to the expansion in other forms. B. A. A. was established by the Tuley physical education department, their efforts being based on the idea that it was of the utmost importance that the physical was maintained. Ben Kravitz, Assistant him as vice-president was Leo Felberbaum. The combined position of secretary and treasurer was awarded to Jack Cole.

It is not only the way the athletic program has been raised to greater heights but also the way the B. A. A. has been maintained and the Tuley B. A. A.

Miss MENDES

G. A. A. OFFICERS

President Judy Dudlak
 Vice President Shirley Youngquist
 Secretary Eloise Nickel
 Treasurer Marion Swanson

A clean and healthy body and mind! These are the objectives of the Girls Athletic Association, one of Tuley's most successful and popular organizations. This club, under the leadership of Miss Mendes, strives, in an entertaining and interesting manner, to make every girl at Tuley aware of athletics. The promotion of athletic enthusiasm and sportsmanship is brought about in various ways. In intramural basketball, baseball, and volleyball tournaments are held. Hiking, bowling, swimming, and horse-back riding are other activities in which they engage. For participation in any of the aforementioned activities bar points are given. Five hundred points merit a pin, to which bars may later be added, and one thousand points merit a letter. Courtesy, personal hygiene, and leadership are other factors to be considered in the giving of points. At the grand finale of the G. A. A. year (a party held in Kopp gym) these awards are distributed to those who have earned them.

FESTIVAL

and Chorus

ORCHESTRA

The regular symphony of sound one hears when passing the school is from the instruments of the members of the orchestra. The orchestra consists of three divisions: the freshmen, who are new to the practice or experience; the juniors, who have some experience; and the seniors, consisting of those who have completed the course prescribed for the orchestra. The groups are fairly accomplished musicians.

The orchestra, under the excellent direction of Mr. Allen J. Ford, play at all school programs and assemblies. At the high school orchestra contest, held at Lane Technical High School, December, 1940, the Tuley Orchestra, under the direction of Mr. Ford, received with a very good rating.

The goal of the orchestra, Mr. Allen J. Ford, is to make the orchestra the outstanding musical organization of the school. He claims that with the aid of consistent practice, this goal can be reached.

Mr. Ford believes that in the future, the newly formed orchestra will perform at all of the school's football games. It is his belief that the backbone of every community group is the spirit and enthusiasm that the students bring to it.

Drama

THE PHANTOM TIGER

The lights are out in "Mystery Manor," and Fisk Auditorium is pitch dark. Suddenly a blood-curdling moan is heard—the face of the picture on the wall lights up—and a voice from the grave speaks.

The lights come on again and, without a mark upon it, the body of Arthur Hale is found in the center of the stage. With this blood-curdling scene, the first act of one of the most hair-raising mystery comedies ever produced came to an end.

The play needed, fine acting, suspense, romance, and a good deal of humor. The side-splitting antics of "Rhumba" did much to relieve the suspense created by the Tiger's soundless murder, and the disappearance of a priceless ruby necklace.

The cast included Erma Lowry, the heroine of the play who in "The Phantom Tiger" was played by Bernard Dukelsky as Macintosh, the heroic detective, Julius Draznin as Sheriff Osgood, the hick town law enforcer; Jerome Bressier as Rhumba, the terror-stricken mason's assistant; Sid Glasgow as Thompson, the stony-hearted villain; Willy Flacks as Arthur Hale, the romance-stricken partner; Gloria Schwartz as Evelyn Hale, his grief-stricken wife; Naomi Mohr as Aunt Sophie, the old maid whose rest is constantly disturbed; and Harold Brooks as Oswald Kerina, the gir-shy eptom.

Because of the abundance of talent which came out for the play, the following parts were shared by two girls apiece: that of Peggy, the gum-chewing city girl who falls madly in love with her dream man, Harold Brooks, was shared by Patsy Murphy and Marjorie Brandt. The role of the very mysterious maid-servant, was played by Mary Kagan and Lillian Mesrow.

At last but farthest from the least, was the role of the supposed "ghost" herself, shared by the entire cast.

THE PRINCE WITHOUT A TONGUE

"The Prince without a Tongue," a puppet show produced entirely by the Advanced Art students, was presented for the benefit of the other art classes at Tuley. All credit for the modeling of the modeling of the heads of the puppets goes to Betty Madsen, while the entire production was directed by Miss Switzer.

The opening scene transports us to a beautiful castle where Princess Esra is anxiously awaiting the arrival of her betrothed, the Prince of Selestia. When she learns that, through an enchantment, the Prince has lost his tongue, she declines to marry him until he recovers it. He goes to the land of the dragons, where, after demanding an enormous price, tells him of a tongue is to be found. Instantly he is transported to the land of the dragons. When, however, in the land of the dragons, he recovers his all-important tongue, he proudly

ALICE KRAMER

We represent the Tully High School Log and to use of the very large subscription are able to offer you very valuable advertising space at only a nominal cost."

And with these words, or words to their effect, went our advertising committee about the city in procuring ads for our Log.

To one of the staff, the job of getting ads is far from easy, and the whole committee, a dominating figure in any Log, is to be commended for its fine salesmanship. As for their salesmanship, it is to be commended for the success of the book and for their ads and the variety which we have testifies to the capabilities of the advertising committee.

Under the leadership of the co-chairmen, Mitchell Teich and Alice Kramer, it can be seen that all have done their allotted tasks surprisingly well.

For Good Food

Go to the

TULEY

LUNCH

ROOM

Tom—"Where are you going, Bill?"

Bill—"Up to get lunch in the lunch-room."

Tom—"Come on, let's go out and get a hot dog."

Bill—"No, I think too much of my stomach. I like something nice and hot and digestible for my lunch. I like to go where I can get good salads, rolls, and homemade cake and pie."

Tom—"Oh, all right, up we go to the school lunchroom."
